Many players/parents may find that the child's details are already in the system as information was transferred to Rugby Link in 2015.

(If the child was new to SJRU in 2016 there will likely be no information in the system). The system endeavors to avoid duplication of records and applies fuzzy logic to search for your child!

You will have 2 options when you elect to register:

1. As a returning registration
2. As a new participant

NOTE: THAT YOU REGISTER THE CHILD NOT THE PARENT!!!

USE THE CHILDS NAME IN EACH INSTANCE

Do **not** worry if you have forgotten or don't know the login...it is your email address and you have the option: **"RESET PASSWORD"**.

If the system identifies your child but you cannot log in call 8005 5600.

Those who are new or who are not found in the system choose **"Create a New Account"**.
